WARNING:

Petitioner/applicant is cautioned to avoid submitting personal information in documents filed in a patent application that may contribute to identity theft. Personal information such as social security numbers, bank account numbers, or credit card numbers (other than a check or credit card authorization form PTO-2038 submitted for payment purposes) is never required by the USPTO to support a petition or an application. If this type of personal information is included in documents submitted to the USPTO, petitioners/applicants should consider redacting such personal information from the documents before submitting them to the USPTO. Petitioner/applicant is advised that the record of a patent application is available to the public after publication of the application (unless a non-publication request in compliance with 37 CFR 1.213(a) is made in the application) or issuance of a patent. Furthermore, the record from an abandoned application may also be available to the public if the application is referenced in a published application or an issued patent (see 37 CFR 1.14). Checks and credit card authorization forms PTO-2038 submitted for payment purposes are not retained in the application file and therefore are not publicly available.

Dear Sir:

Responsive to the Notice of Allowance and Fees Due dated June 1, 2009,
Applicant submits herewith the following documents:

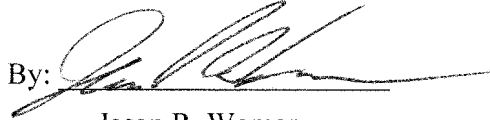

Transmittal Letter; and
Form PTOL-(85-Part B) Fee(s) Transmittal.

The entire delay in filing the required reply from the due date for the required
reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional.
The Notice of Allowance and Fees Due was correctly docketed but payment of the
fees was unintentionally omitted. As a result, the Issue and Publication Fees were not

timely paid. Upon becoming aware of this error, an appropriate response was prepared and is submitted along with the Petition for Revival Under 37 CFR 1.137(b). The delay was unintentional and applicant hereby requests revival.

Respectfully submitted,

HISCOCK & BARCLAY, LLP
